"THE SELECTION OF THE FITTEST"

An official newsletter of Sjeikastan

Sjeikastan is one of the most up-and-coming, encouraging and promising country of the UBN. On the 20th of March we celebrate our national holiday.

Every year, we continue our annual tradition. One citizen of another UBN country is allowed honoured to join Sjeikastan. We celebrate this event in the presence of Rimitti. She will be present the entire day together with the holy monarch. Last year, Charlotte Snow from Carpstan joined Sjeikastan, who's next?

"The people of Sjeikastan will vote for their favourite."

"The selection of the fittest", this is the biggest event of the year. Every UBN country selects one person, who matches the requirements which are very strict. These are the conditions:

- The person has to be taller than 1m80 (man)/ 1m70 (woman).
- The person has to have dark brown hair.
- The person has to have an IQ above 100.
- The person can run 5 km in 25 minutes.
- The person can survive a week and a half in the desert.

On March 20 all the chosen ones have to take 5 different tests. These tests consist of knowledge, skills and endurance. The people of Sjeikastan will vote for their favourite. When Rimitti doesn't like the chosen one, she can decide to choose someone else.

We are all looking forward to this very important and celebratory day!
